

# PLAY PENDANT

PLAY takes the iconic and recognizable typology of the familiar analogue board game Ludo and brings it into a new context. PLAY is a playful yet simple and functional lamp that works well as a cheerful accent in the home or a softening detail in a formal office setting. The board game reference lends the lamp a nostalgic charm and underscores its informal and playful idiom. PLAY is a pendant lamp where the cone serves as a light reflector that produces a focused light and creates a warm sense of space in a room.

## General Information

Lighting type:		Pendant
Article:	White	750436
	Grey	750443
	Black	750450
EAN code:	White	5705639750436
	Grey	5705639750443
	Black	5705639750450

## Dimensions

Width:	19 cm
Height:	25 cm
Weight:	1,5 kg

## Illuminant

Socket:	E27
Delivery:	Excl.
Max Wattage:	60 W
Energy class:	A** - E

## Material & Color

Material:	Metal
Color:	White
	Dark grey
	Black
Cable:	3 m textile
