

MEGAPHONE

MEGAPHONE is a simple interpretation of the shape of a megaphone, translated into a minimalist pendant lamp that suits most purposes and settings. The name MEGAPHONE refers to similarities in the iconic shape as well as in function: Just as a megaphone is used to inform and enlighten a crowd, the MEGAPHONE lamp directs light and illumination where it is needed.

General Information

Lighting type:		Pendant
Article:	Black	751334
	White	751341
EAN code:	Black	5705639751334
	White	5705639751341

Dimensions

Width:	23 cm
Height:	30 cm
Weight:	2 kg

Illuminant

Socket:	E27
Delivery:	Inkl. 9W LED 2800 Kelvin, A*
Max Wattage:	11 W
Energy class:	A** - E

Material & Color

Material:	Metal
Color:	Black
	White
Cable:	3 m textile
